Source and identity disclosure. This Retabionix document is a transcription of a test report issued by Janoshik, an independent analytical laboratory in the Czech Republic. Retabionix did not perform this test and did not commission it. The analytical values above are copied exactly from the laboratory's report and have not been altered or rounded. The laboratory's own report, which can be retrieved with the task number and key above, is the authoritative record.

Use limitation. Analytical reference only. This summary is not an original certificate of analysis, does not replace the laboratory's record, and makes no representation about any sample or batch other than the one identified above.

For laboratory research use only. Not for human consumption.
